

Press Release – February 1<sup>st</sup>, 2003

With more than 12,000 anglers on the ice at the 13th Annual [Brainerd Jaycees](#) \$150,000 Ice Fishing Extravaganza, January 18, 2003, the Jaycees knew they had accomplished something great. What they did not know was that their efforts would be awarded with an official State of Minnesota Office of Tourism award and that they would break their donations record previously set in 2001.

The Minnesota Office of Tourism Festival and Event Travel Marketing Award was presented to the Jaycees in recognition of the effort to attract outside guests to the Brainerd Lakes Area during a typically slow tourism period. The Jaycees were nominated for the award by the Brainerd Baxter Lodging Association who have become one of the Extravaganza's strongest supporters.

Carol Altepeter from the Minnesota Office of Tourism officially presented the award to the Jaycee membership at the chapter's monthly meeting Tuesday evening. Accepting the award were this year's chairperson Steve Jobe and Brian Lindberg who will serve as chairperson for the 14th Annual Extravaganza. Suzette Bush and additional members from the Brainerd Baxter Lodging Association were also on hand to congratulate the Jaycees for their accomplishments.

Prior to the award presentation, Jaycee members had approved donations to 70 local charities totaling more than \$206,000. Steve Jobe, on behalf of the chapter proudly presented a check in the amount of \$144,515.28 to Confidence Learning Center Executive Director Jeff Olson and several members of the Camp's Board of Directors. Confidence Learning Center receives 70% of the Extravaganza's funds each year with the remaining funds benefiting local charities or organizations serving local residents. Since the inception of the Extravaganza in 1991, donations to local organizations have exceeded 1.5 million dollars.

The Jaycees are a volunteer service group open to men and women ages 21 yrs to 40 yrs with a focus of individual and leadership development through participation in community projects. Further information about the Jaycees is available at [Brainerd Jaycees web site](#)
